WIN-NEL

Dear Leo,
It has been
fun in your study
hall this past year.
I hope I see you next
year to have more fun.
Best of luck
to a wonderful man.
Tom S.

LET'S GET READY!

Dear Leo,
All this year I have had a nice time being in school with
you but I liked it best where the Easter Vacation began.
You have been very good to me and I have
done having good to you too. We are
having our fun yet because
we have to go to people
at this summer.
You have
been

one of
the best friends
a guy could have and
I mean it too

"One of your favorite
school mates,"

The staff of the 1955 Win-nel has worked earnestly and diligently to bring you memories of this school year. We have tried to portray typical W. H. S. activities, school parties, classes, teachers, and students.

We hope we have not failed but have produced a book which shall be a reminder of these happy days.

SUMMER ACTIVITIES

The boys received a double treat this year with a change of scenery for the state conventions held at Springfield.

Several boys took honors at the Black and White show.

There was a good turn out of Winslow boys at the Sec. I Ag. fair this year. Their projects on the whole were very good.

Most of the boys went to the Cattle Congress at Waterloo.

We also had a few entries in the tractor rodeo and Larry Martin took 1st place and Russel Harnish took 3rd.

A few weeks of shop-work were in order at this time, while, during this time we were working on the trapshoots.

Corn yield tests were taken and sent in to the various counties by several F.F.A. members.

Our grain and poultry teams placed 3rd and 5th respectively. This was held in Forrester.

We now have 3 chain gilts, 2 Chester Whites and 1 Spotted Poland China.

A party was given to the G. A. A. and a full length movie was shown for entertainment.

Some water testing was done by several chapter boys, to see if it is fit for human consumption.

Our chapter went swimming at the Y.M.C.A. in Freeport several times.

The fatstock and dairy teams judge May 6 and a spring trip was considered.

We ended the year with our chapter picnic.

Senior Class History

We entered Winslow High School on August 28, 1951, with 15 members. On September 21, 1951, the Sophomores gave us the royal initiation.

On October 20, we entertained the Sophomores at a return party. A contest was held for the craziest hat worn. Volleyball and dancing were enjoyed after which refreshments were served.

After Christmas Marilynn Smith moved to sunny California. Gene Tree came from South Wayne on October 1. Robert Gobeli moved to Winslow January 3, 1952, so the Freshmen class still remained at 15.

We started our Sophomore year with 14 members. Bob Hastings had moved to Monroe during the summer. Later we lost Glenn Bunker who left to work for his father, and Eldora Drye, who went to work in Freeport, and Rita Rogers, who moved to Pearl City.

We started our Junior year with 12 members, making it 13 when Bob Hastings moved back from Monroe at the second semester. On November 5 and 6 we presented our class play, "The Scarecrow Creeps," a mystery comedy. The play, directed by Mrs. Arnold, was a big success. After the play we went to Maple Grove Inn for a delicious meal which everyone enjoyed. On May 15 we gave the annual Jr.-Sr. Prom. We used the theme "The Old South." The gym was decorated with stars as a false ceiling, a cotton field, log cabin, a darky, a big moon, a stone wall fence, and a large veranda where the coronation took place.

At the start of our Senior year our membership had dropped to 11. We lost Duane Kleckler and Roger Anderson to Lena. In the fall we started work on our Win-nel. In the spring we gave "Room No. 13." Mrs. Arnold again, was our director. We also took a week-end as our skip day. In May we said, "Farewell, Winslow High."

Senior Class Prophecy

IT WAS WHEN:

Mary Martha was elected cheerleader that grasshoppers started walking.

Bessie's temper was discovered that man thought of going to the moon.

JerryAnn gained her drivers license that the wheels of industry actually began to turn.

Bernice fell off the Rock of Gibraltar, that the tide began, and the spray still lingers on.

Jake Eells was born that witchcraft began.

Bob Gobeli began farming that the pitchfork became the symbol of the Devil and brothers.

Bob Hastings discovered human treasure in McConnell that the original name Bobtown was revised.

Gene Tree's popularity grew that Malenkov resigned.

Bill contracted laryngitis, that the his movie "Gone With The Wind" came out.

Sonnie began his trips to Orangeville that Casanova's job ceased.

Dorothy took an interest in boys and not in literature that Shakespeare lost his reputation.
